MISCELLANEOUS DEPARTMENTS

DEPARTMENT OF AGRICULTURE IN MYSORE.

LIVE STOCK SECTION, BANGALORE.

Notification dated 16th May 1936.

Notice is hereby given that consolidated sealed tenders from approved contractors for all or any of the institutions for all the items specified under that institution will be received up to 2 P.M. on Monday the 22nd June 1936 by the Director of Agriculture, in his Office at Seshadri Road, Bangalore, for the supply of all articles for each institution as specified in the annexure for one year from 1st July 1936 to 30th June 1937 as per particulars noted in the undermentioned list. The tenders will be opened by the Director or in his absence from headquarters on tour, by his Gazetted Assistant at 4 P.M. on the same day in the presence of as many tenderers as may choose to attend and the rates will be read out to them.

2. The quantity of each kind mentioned is only approximate and cannot be guaranteed. They must be supplied in such quantities and at such intervals as the undersigned may choose to order.

3. Rates quoted must be per unit given in the list for delivery at the farms mentioned in the annexure and the amount of each item must be worked out for the quantities indicated and the total amount of all the items should also be given. Tenders without all the particulars required may not be considered. No erasures or overwritings in the entries in the money column should be made. All corrections shall be made neatly in red ink over the corrected figures and duly attested by the tenderers.

4. Tenders must be given in the accompanying form, must be accompanied by samples of each article and must be superscribed "Consolidated tender for the supply of all the articles required for (here mention the name or names of the institution) of the Live Stock Section, Department of Agriculture, Bangalore, for 1936-37". The supplies are to be made according to the approved samples.

5. No tenders will be received unless accompanied by a receipt for Rs. 100 deposited in the State Huzur Treasury at Bangalore,as earnest money for tenders to the credit of the Live Stock Expert, Department of Agriculture, Bangalore. No cash payment will be accepted.

6. The acceptance of tenders will rest with Government.

7. Intimation of acceptance of the tender will be given to the successful tenderer in writing.

8. Within three days after receipt of such acceptance, the successful tenderer will be required to execute the contract bond on the usual Government Stamp paper in the prescribed form in default of whoih, his tender will be considered cancelled and his deposit money will be confiscated to Government. His supply should commence from 1st July 1936 or within seven days of order, whichever is the later date.

9. On acceptance of the tenders, arrangements will be made to refund the earnest money of the unsuccessful tenderers on a date to be notified to them in writing. No further enquiries regarding acceptance or rejection of tenders will be attended to. The successful tenderer will have to furnish security in a sum equal to 5 per cent of the total value of the accepted tender on intimation to him before executing the bond required. The earnest money of Rs. 100 furnished by the successful tenderer will be refunded after he furnishes the security. The security amount will be returned to him on the termination of contract at the end of the period.

10. The contractor or his authorised agent is required to supply the articles within three days of the date of the order.

11. The decision of the undersigned in all questions of acceptance or rejection of articles supplied is final.

12. The contractor, must be prepared to supply any other articles not specified in the list, at market rates, on reasonable notice.

13. No application from the contractor for any sort of concessions whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes, will be considered.

14. No advance of cash will be made to the contractor. On production of necessary accounts and vouchers in support of his bills, payment for all articles supplied will be made as soon as possible after supply. The contractor should prefer one bill for all supplies made during a month. In payments, the contractor, must accept the following rules of Government:—

(i) In payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half rupee will be disregarded and half a rupee and over taken as a rupee.

(ii) The totals of bills for less than Rs. 25 will be rounded to the nearest anna (fractions below half anna being omitted and half anna and over being reckoned as one anna).

15. The contract must not be sublet.

16. If owing to the delay in his supply the undersigned is forced to purchase the articles elsewhere, such purchase will be done at the risk of the contractor and any amount over and above his scheduled rate spent in doing so, will be recovered from him.

17. A fine not exceeding Rs. 20 will be levied, at the discretion of the undersigned, for every infringement of the contract in addition to recovering from his amount, if any, under clause 16 and if the stipulations of the contract be frequently violated, the contract will be annulled and secuirty confiscated to Government at the discretion of the undersigned.

18. Any other information may be had from the undersigned between 11 A.M. and 5 P.M. in his Office, on working days.

19. The cost of containers such as tins, etc., should not be separately charged but the rates quoted should include the cost of these also. The containers will not be returned. The cost of gunny bags (supplied with feed articles) should not be charged and the rates quoted for the feed articles should not include their cost. The relative gunny bags will be returned to contractors.

N.B.—Payment will be made only on the weight of the articles supplied.

FORM OF TENDER.

To

The Director of Agriculture in Mysore,
Seshadri Road,
Bangalore.

SIR,

I offer to supply the articles mentioned at the rates noted below against each item as per sample furnished and agree to the conditions contained in the notification, dated 16th May 1936 and published in *Mysore Gazette*, dated.....on pages.....of Part.....

I enclose State Huzur Treasury Receipt for the earnest money deposit as required in your notification.

Yours faithfully,

Station.....

Dated.....1936.

List of articles with probable quantity or number required for the use of the Live Stock Section, Department of Agriculture, from 1st July 1936 to 30th June 1937.

GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notification dated 28th May 1936.

1. Sealed tenders for the purchase of lint, paddy, arecanut, tobacco, dry chillies, etc., of the farm produce will be received in the office of the undersigned up to 2 P.M. on Monday the 22nd June 1936.

2. The tender should be superscribed "Tender for the purchase of Farm produce of industrial nature or food grains or both the groups on the Babbur Farm" and should be accompanied by a deposit of Rs. 100 for each group or both if it is in one tender.

3. The rate offered for (i) lint should be per maund of 26⅔ lbs.;

(ii) arecanut, tobacco, tobacco-kaddi, tobacco-dust and dry chillies per maund of 28 lbs. each; and (iii) grains per palla each.

4. The Director of Agriculture reserves to himself the right to accept any tender of 1st group or 2nd group or both and to refuse the highest or any tender without assigning any reason therefor. The tender for each group of articles will be considered as a separate unit.

5. The name of the successful tenderer will be informed after the approval of the Director of Agriculture in Mysore, Bangalore, about the acceptance of his tender and the deposits of the unsuccessful tenderers will be returned to them at their own cost.

6. The deposit of the successful tenderer will be retained and adjusted towards the value of the produce purchased by him.

7. Delivery of the produce will be on the Farm premises and the purchaser will have to make his own arrangements for its transport from the Farm.

8. Payments should be made in full on the spot at the tendered rates for such quantities as are removed from the Farm.

9. The successful tenderer will have to take delivery of the produce and arrange for the removal of the full quantity purchased within seven days from the receipt of the notice.

10. The produce will be weighed or measured and delivered by the Farm staff, with the standard weight or measure used on the Farm.

11. Failure to comply with the above conditions will entail the forfeiture of the deposit amount and the produce will be sold at the risk of the successful tenderer who will have to make good any loss that may be caused by such resale and shall by no means participate any profit which may accrue thereby. The loss, if any, caused by such resale will be recovered as if it were an arrears of land revenue.

12. The quantities noted below are more or less approximate and cannot be guaranteed.

Sl. No.	Name of produce	Approximate quantity
	First group produce of industrial nature.
